

Our Journey Ahead

Nominations of the Board of Directors

The Nominating and Governance Committee of the Board of Directors is preparing a slate of recommended nominees for the Annual General Meeting, consistent with the Constitution and Bylaws of the YMCA of Regina.

If you are interested in serving on the Board or in nominating someone for the Board, please contact us before December 5, 2018 by email at boardrecruitment@regina.ymca.ca.

We continue to be focused on serving the community through building organizational capacity and reputation, enhancing governance, financial, brand and risk management practices, diversity and inclusion, and supporting the strategic planning for long term sustainability. We are seeking nominees with backgrounds that can contribute to our long-term success in these areas.

The deadline to receive applications and nominations for review by the Board Nominating and Governance Committee is December 5, 2018.
