FINANCIAL ASSISTANCE FOR MEMBERSHIP

YMCA of Regina would like all members of the community to take part in its programs and enjoy it's services regardless of economic circumstance. Financial Assistance is available for those who feel they would benefit from joining the YMCA but are financially unable, not unwilling, to pay the full general membership fees.

STRONG KIDS CAMPAIGN

Our Financial Assistance Program is supported by dollars raised annually through our Strong Kids Campaign. It is through the generosity of our YMCA family and friends that everyone can have a YMCA experience.

There are children, teens and young adults in every community who, with your help, will be healthier today and more productive tomorrow. By giving today, you can help our kids build a better community for the future. Every kid deserves a chance to realize their full potential.

All around us we see the images of children in need. These come in many forms – from food, clothing and shelter, to guidance and support. Whatever the needs, the YMCA is committed to improving the lives of the children and their families in our communities by providing safe places, caring and trained staff, and programs that teach life skills. Whether it's a place to go after school for a helping hand with homework, a place to learn leadership skills, or a place for the family to play and connect, the YMCA is there.
