Mental Health First Aid

We will now be offering Mental Health First Aid courses starting in the Fall of 2023!

The YMCA of Regina has identified Mental Health as a priority for the communities we serve.

Mental Health First Aid (MHFA) is the help provided to a person developing a mental health problem, experiencing the worsening of an existing mental health problem, or in a mental health crisis.

Just like physical first aid is provided until medical treatment can be obtained, MHFA is given until appropriate support is found or until the crisis is resolved.

If you are interested in booking a Mental Health First Aid course for your organization or business, please complete the MHFA Inquiry form by scanning the QR code or visiting the YMCA of Regina website.
